A group of residents in **Cork** have come up with an innovative way to combat the sense of isolation felt by many during these unprecedented times by holding an **outdoor movie night**. Residents of Frankfield Villas on Cork's Windmill Road came up with a clever solution to bring people together while staying apart by projecting movies onto the gable end of the adjoining terrace and broadcasting the audio to people's radios. The locals then dragged couches, armchairs and beanbags into their front gardens to enjoy the unique experience -all the while maintaining social distance. See more [here](#)
