

LEITRIM COUNTY COUNCIL
COMHAIRLE CHONTAE LIATROMA

LOUGH RINN ROWING COURSE PROJECT

PHASE V

WASTEWATER TREATMENT PLANT AND RISING MAIN
DBO CONTRACT

TENDER NOTICE

Leitrim County Council requires the services of a competent experienced Design/Build Contractor to construct a new proprietary Wastewater Treatment Plant (WWTP) and associated site development and services, to replace the existing sewerage infrastructure at the Lough Rinn Amenity Park. The treated effluent from the new Wastewater Treatment Plant will be pumped from a new pumping station through a new 2,100m rising main to the existing Mohill Wastewater Treatment Plant.

This Contract is for the design, supply, construction, installation and commissioning of the following:

- **Proprietary Wastewater Treatment Plant** including associated interconnecting sewers, manholes, ducting, kiosks, instrumentation and SCADA controls;
- **Treated Effluent Pumping Station** including associated duty/standby pumps, pipework, fittings, flow controls, level controls, instrumentation, telemetry and alarms;
- **Treated Effluent Rising Main** (2,100m from the treated effluent pumping station to existing Mohill WWTP) including associated valves, chambers & fittings; reinstatement and ancillary works.

Experience in design, supply, installation and commissioning of Wastewater Treatment Plants is required.

This Contract is for Phase V and is being procured under the Public Works Contract for Civil Engineering Works designed by the Contractor in accordance with the Department of Public Expenditure and Reform.
