Dear Councillor,

A Meeting of the Ballinamore Municipal District will take place on **Tuesday 27th October 2015 at 11.00am in Meeting Room, Ballinamore Library, Ballinamore, Co. Leitrim**, for the purpose of transacting the business set out on the Agenda hereunder.

You are hereby summoned to attend.

Yours sincerely,

Ann Warnock
Meetings Administrator

AGENDA

1. Minutes of Meeting of Ballinamore Municipal District held in the Meeting Room, Ballinamore Library, Ballinamore, Co. Leitrim on Tuesday 29th September 2015 (copy enclosed).

2. To consider Speed Limit Bye Laws for Housing Estates in the Ballinamore Municipal District (Report enclosed).

3. To consider the General Municipal Allocation for the Ballinamore Municipal District in accordance with the provisions of Section 102(4A)(a) of the Local Government Act 2001 as inserted by Section 58 of the Local Government Reform Act 2014 (Report Enclosed).
4. To consider the following Notice of Motion submitted by Councillor Caillian Ellis;

"I propose that Leitrim County Council write to Waterways Ireland seeking to have the land slippages which have occurred along numerous parts of the canal put back in place and have the trees and shrubbery cut back."

5. To consider the following Notice of Motion submitted by Councillor Caillian Ellis;

"I propose that Leitrim County Council carry out repairs on the bridge in Keshcarrigan Village."

6. To consider the following Notice of Motion submitted by Councillor John McCartin;

"I propose that Leitrim County Council raise the issue of standard of work done and service provided by whatever company laid the road markings in the area over the last few weeks. Since road markings are seen by all who visit or pass through the area, it is unacceptable to have such unsightly and unprofessional work destroying the image of our environment and this council. Some of the newly laid markings are tantamount to graffiti. With modern cars featuring safety assists which read road markings, we need to assess whether or not there is a risk to the safety of road users or an increased liability to the council arising from this matter."

7. To consider the following Notice of Motion submitted by Councillor John McCartin;

"It is my understanding that Leitrim County Council is responsible for Fohera Lane as far as the bridge and that from the bridge on is in private ownership. As the bridge appears to be structurally unsound, I propose that Leitrim County Council engage with the local residents with a view to assessing the extent of and sharing the costs of any repairs necessary."

8. To consider the following Notice of Motion submitted by Councillor Brendan Barry;

"I request that Leitrim County Council place convex mirrors opposite the L42941 beside St. Hugh’s National School Ballinaglera, the L14871 in Longstone, Ballinamore and that affordable convex mirrors and guidance be made available to residents on private lanes."

9. To consider the following Notice of Motion submitted by Councillor Brendan Barry;

"I request that the deep depressions on the L3356 Annadale to Kennedys Cross and L3355 Annadale to Castlefore roads be filled and made safe."

10. To consider the following Notice of Motion submitted by Councillor Martin Kenny;

"I am proposing that Ballinamore Municipal District call on the Government to put additional resources into the health services in this region. The proposed downgrading of the day care service in St Patrick’s Carrick-on-Shannon is a travesty that must be stopped. St Patrick’s is used by a lot of elderly people from this area due to its medical centered approach. The difficulty in getting acceptable levels of home help is also causing great stress to many older people and people with disabilities."
11. To consider the following Notice of Motion submitted by Councillor Martin Kenny;

"I am proposing that Ballinamore Municipal District call on the Minister for Environment and Local Government to reinstate the Community Involvement Schemes for cul de sac public roads and the Local Improvement Schemes for private lanes being used by more than two people. The Community Involvement Scheme made great progress in the year it was in place and many more of these types of roads could be strengthened and resurfaced if it was brought back. There are hundreds of laneways on the list ready to go if the Local Improvement Scheme was funded by government."

12. To consider the following Notice of Motion submitted by Councillor Gerry Dolan;

"I call on this Council to have extra lights erected at Fenagh school for the safety of children on the dark mornings and evenings."
