COMHAIRLE CHONTAE LIATROMA
LEITRIM COUNTY COUNCIL

Áras an Chontae
Carrick on Shannon

3rd September 2019

Cathaoirleach agus Gach Ball of Carrick on Shannon Municipal District,
COMHAIRLE CHONTAE LIATROMA.

A Chara,

A Meeting of the Carrick on Shannon Municipal District will take place on Monday 9th September 2019 at 11.00am in the Council Chamber, Áras an Chontae, Carrick-on-Shannon, Co. Leitrim, for the purpose of transacting the business set out on the Agenda hereunder.

You are hereby summoned to attend.

Yours sincerely,

Ms Mairead Shanley
Meetings Administrator
MS/SMcC

***********************

AGENDA

1. Minutes of Carrick on Shannon Municipal District held in the Council Chamber, Aras an Chontae, Carrick on Shannon on Monday, 8th July 2019.

2. Meeting Correspondence.
3. **To consider the following Notice of Motion submitted by Councillor Des Guckian;**

"I’m asking the Council Engineers to examine two roads that have become very dangerous for all users, particularly pedestrians. One is the L 3470-0, past Annaduff NS on to Curragha Crossroads. The second is the Castlecarra Road L3408-0 and its extension L3409-0 up to Kiltogher old school. Both are dangerously narrow in places, have dangerous turns/hills on them and are just not safe for pedestrians e.g school children walking to school. Both roads are used as short cuts by heavy lorries and timber lorries. Plans need to be drawn up now to make them safer for all. This to include proper signage."

4. **To consider the following Notice of Motion submitted by Councillor Des Guckian;**

"That the narrow access road into Kingston Terrace and Breffni Heights, Carrick-on-Shannon, coming off the L3398, needs to be surfaced and widened. Lorries delivering diesel etc are finding it very difficult if there are cars parked, along the road, at Regan’s, and in the turning bay that was meant for turning lorries. Emergency services access is threatened also."

5. **To consider the following Notice of Motion submitted by Councillor Sean McGowan;**

"At the September Meeting of Carrick-on-Shannon Municipal District Council, I will ask the Area Engineer Carrick on Shannon to see what additional steps can be taken to slow the traffic on the Mohill / Carrick road R201as you approach Mohill from the Carrick end, around Treanmore. There have been a number of accidents and incidents along this section of road over the years, and while the Council has carried out good work to leave the road safer, motorists still tend to speed coming into town."

6. **To consider the following Notice of Motion submitted by Councillor Sean McGowan;**

"At the September Meeting of Carrick-on-Shannon Municipal District Council, I will seek the support the members in calling on Irish Rail to provide a lift alongside the footbridge at Dromod Rail station. This is to facilitate disabled passengers or older people who are using the train and who may find it difficult to cross the footbridge when trains are crossing at Dromod Station."

7. **To consider the following Notice of Motion submitted by Councillor Paddy Farrell;**

"That Leitrim County Council considers the provision of a pedestrian crossing on the Leitrim Road, Carrick-on-Shannon. There have been a few near misses in this location some of which have been brought to the attention of the Gardaí."
8. To consider the following Notice of Motion submitted by Councillor Paddy Farrell;

"I ask Leitrim County Council to consider two speed ramps in Leitrim Village as resicents in the Village are very concerned about the speed of cars approaching the village. One on the Drumshanbo road and one on the Battlebridge road past the school. Current ramps at these locations are not working adequately."

9. To consider the following Notice of Motion submitted by Councillor Enda Stenson;

"I am proposing that St Mary’s Close Carrick on Shannon is included in an upgrade of street networks."

10. To consider the following Notice of Motion submitted by Councillor Enda Stenson;

"I propose that we request our Roads Dept to immediately appoint someone to investigate where Stop/Yield signs are missing at junctions where minor roads connect to major roads. Can a mechanism be put in place to erect signs where there is a need to do so."

11. To consider the following Notice of Motion submitted by Councillor Finola Armstrong-McGuire;

"May I have an outline of the proposed new builds of family homes that will help us in our response to housing needs of young families in this Municipal district? What number do we propose to purchase and build in next 3 years. Rent in this area is higher than many families can afford and thus need for rentable stock with perhaps option to buy later in life is necessary now as much as ever before."

12. To consider the following Notice of Motion submitted by Councillor Finola Armstrong-McGuire;

"Many of our minor roads have speed limits of 80km. These are country roads where people wish to walk or cycle to neighbouring houses in a safe manner. With speeds allowed of up to 80 km it is not safe for cyclists or walkers. Are there any types of signage available to neighbourhoods particularly in rural areas. Older children should feel safe cycling to meet friends or as exercise but parents feel they are at risk because of lack of awareness."

13. To consider the following Notice of Motion submitted by Councillor Thomas Mulligan;

"That we make provision in our estimates for drainage works on the Eslin River in the townland of Killamaun"
14. To consider the following Notice of Motion submitted by Councillor Thomas Mulligan;

"I will ask that the section of river between the bridges in Mohill be cleaned"
