AGENDA

1. Minutes of the Meeting of Carrick-on-Shannon Municipal District held in the Council Chamber, Aras an Chontae, Carrick-on-Shannon, Co. Leitrim on Monday 12th June, 2017. (Copy enclosed).

2. Minutes of the Annual Meeting of Carrick-on-Shannon Municipal District held in the Council Chamber, Aras an Chontae, Carrick-on-Shannon, Co. Leitrim on Monday 12th June, 2017 (Copy enclosed).

3. To receive a presentation on the LCDC Social Inclusion and Community Activation Programme (SICAP).

4. To approve the LCDC recommendations on grant applications under the Community Facilities Scheme for the Carrick-on-Shannon Municipal District.

5. Correspondence.

Part I - Notice of Motions

6. To consider the following Notice of Motion submitted by Councillor Des Guckian;

"That we instruct the Engineering staff to prepare a plan to cater for the increasing volume of traffic on the too narrow Castlecarrar Road L3408-0. There are a number of very sharp bends on this road which were never designed to carry heavy lorries. At one such turn 400 m from the Kiltoghter end there was a very serious accident involving two heavy lorries on Tuesday 13th June, 2017."

7. To consider the following Notice of Motion submitted by Councillor Des Guckian;

"That where traffic is emerging on to a regional road or a national road, checks should be carried out to see if the line of vision is clear. Where it is not clear, the hedges or bushes should be cut back. One such place is where the lane from the Morans' houses joins the L1601 above Rooskey, at Aughamore townland."

8. To consider the following Notice of Motion submitted by Councillor Sinead Guckian;

"At the July meeting of Carrick on Shannon Municipal District I will ask the Senior Engineer when will refurbishment and repair works be carried out and completed, on the children's playground, adjacent to Aura Leisure Facility, Carrick on Shannon."

9. To consider the following Notice of Motion submitted by Councillor Sinead Guckian;

"At the July meeting of Carrick on Shannon Municipal District, I will ask the Director of Services, Economic Development, Environment, Planning & Transport to confirm whether or not the Waste Collection Company have agreed to collect bins from the homes along the Leitrim Gaels Community grounds road (L33902), as per our numerous requests and in line with their commitment to extend their collection routes?"

10. To consider the following Notice of Motion submitted by Councillor Sean McGowan;

"At the July Meeting of Carrick-on-Shannon Municipal District, I will ask the Director of Services, Economic Development, Environment, Planning & Transport has there been any success in discussions with the OPW with a view to securing a funding package over the next 4 to 6 yrs to clean and dredge all those rivers which feed into the main rivers and lakes within the Carrick-on-Shannon Municipal District."

11. To consider the following Notice of Motion submitted by Councillor Sean McGowan;

"At the July Meeting of Carrick-on-Shannon Municipal District I will ask Mr. Darragh O Boyle, Area Engineer to have the Patching Unit carry out repairs to the section of the Tooman Road (Road No. L-1626-1) that was not covered under this year's Restoration Improvement Grant as there are a number of potholes and the surface is ravelling in certain area. I also ask that the remaining sections of the road are included in next year's Roadwork's Programme."

12. To consider the following Notice of Motion submitted by Councillor Finola Armstrong-McGuire;

"I ask that grass verges and overgrowth in areas of heavy traffic and used a lot by walkers are given attention in the coming days. From Hartley Bridge towards the town of Carrick-on-Shannon as well as along Si na Slainte is particularly bad and dangerous for pedestrians and walkers. These areas were attended to in 2016 and should be done as soon as possible."

13. To consider the following Notice of Motion submitted by Councillor Finola Armstrong-McGuire;

"I ask that the footpaths in Carrick-on-Shannon along Main Street and at the Dental practice on Summerhill arc upgraded at soon as possible. When is the work likely to be undertaken? I ask that the shop owners and managers of businesses affected are involved in some discussions prior to the work being undertaken. Every effort must be made not to disrupt businesses and offer customers the best shopping experience possible."
14. To consider the following Notice of Motion submitted by Councillor Enda Stenson;

"May I ask what are the exact works that will be carried out at Killnagross Post Office under the Low Cost Accident Scheme."

15. To consider the following Notice of Motion submitted by Councillor Enda Stenson;

"May I ask are there enough Local Authority houses to meet the social housing demand in Mohill, this includes family type houses and one/two bedroom houses."

16. To consider the following Notice of Motion submitted by Councillor Seadhna Logan;

"That this Council prioritises access points onto the footpaths for wheelchair access on Glebe Street Mohill, particularly on both sides of the road close to the Post Office. This issue has been raised with me a number of times by multiple people in wheelchairs that struggle getting on and off the footpaths."

17. To consider the following Notice of Motion submitted by Councillor Seadhna Logan;

"I am calling on this Council to move the Pedestrian Crossing on the Castlecarrar road on the outskirts of Carrick-on-Shannon. Walkers descending the Hill from the Aughameeney side are completely hidden from motorists on the Castlecarrar Road. The crossing at the bottom of the hill is very sudden and walkers are entitled to walk straight out. Secondly a barrier similar to those erected outside schools could be erected to guide walkers around the corner and the path extended 5-10m back towards the N4 with the pedestrian crossing realigned accordingly."
