Part 1 – Notice of Motions

5. To consider the following Notice of Motion submitted by Councillor Sean McDermott;

"Can I ask if the lighting at Sean Mac Diarmada's monument in Killyclogher can be adjusted, some of the lights have come away from their original position."
6. To consider the following Notice of Motion submitted by Councillor Sean McDermott;

"At the December meeting, I will ask if work could be done at the Council housing estate at St Micheal's N.S, Glenfarne, where rainwater of the road flows into the housing estate at the gate entrance that children use to go across the road to school and can become very flooded at times."

7. To consider the following Notice of Motion submitted by Councillor Felim Gurn;

"What progress, if any, has been made regarding the provision of the much needed new County Council Offices in Manorhamilton."

8. To consider the following Notice of Motion submitted by Councillor Felim Gurn;

"The National Transport Authority (NTA) guidelines on bus shelters stipulate that Bus Éireann are not obliged to provide bus shelters where a town's population is less than 1,000 people. Unfortunately Dromahair does not meet this requirement and I call on the executive to liaise with the NTA to ask them to reconsider this arbitrary decision for Counties with smaller population bases."

9. To consider the following Notice of Motion submitted by Councillor Justin Warnock;

"I will ask the elected members to support this motion in calling on the Minister for Transport Shane Ross to make it compulsory to drive with dipped headlights during daylight hours for the months of November, December and January, in the interest of road safety."

10. To consider the following Notice of Motion submitted by Councillor Justin Warnock;

"I will ask the elected members to support this motion in calling on Minister Heather Humphreys with responsibility for Business, Enterprise and Innovation, to introduce measures to curtail the commercialisation of Christmas in 2018. With Black Friday's and Cyber Monday's and advertising from Halloween to New Years Day, this commercial exploitation by multinational retail outlets is destroying the true meaning of Christmas in our Christian country. At a time when we have record homelessness and homeless people dying on our streets and families being impoverished by consumerism."

11. To consider the following Notice of Motion submitted by Councillor Frank Dolan;

"As this is the final meeting of the year I ask are we any nearer to having a new Council Office in Manorhamilton. It must be at least five years since first mentioned, but we are still renting a meeting room."

12. To consider the following Notice of Motion submitted by Councillor Frank Dolan;

"I will propose at the Manorhamilton MD that we call on the Minister for Agriculture to act now on a scheme to deal with the "fodder crises" and not to wait until spring. A scheme of support now, would help farmers to plan their way through the rest of the season."

13. To consider the following Notice of Motion submitted by Councillor Mary Bohan;

"What is the current position regarding the provision of funding for works to be carried out at Killavoggy Bridge?"
14. To consider the following Notice of Motion submitted by Councillor Mary Bohan;

"I propose that Leitrim County Council carry out works and improve signage at the entrance to Corrasra on the R280 as this is a dangerous junction. Mary Bohan."
