3. Meeting Correspondence

Part I - Notice of Motions

4. To consider the following Notice of Motion submitted by Councillor Felim Gurn;

"There has been a problem on side roads all summer with people contacting me about over grown hedges and trees along these roads. Unless we get some sort of extra funding or penalize farmers for not maintaining their hedges and trees, these roads are starting to close in and are going to be unusable in the not too distant future."
5. To consider the following Notice of Motion submitted by Councillor Felim Gurn;

"I was amazed at the state of some of the poor quality of council houses in some estates during the election campaign. I know the council through lack of resources and maintenance staff are trying to do their best to stay on top poorly maintained houses. Can more resources be found to hire more maintenance staff and to fund refurbishment of voids and existing houses in poor conditions."

6. To consider the following Notice of Motion submitted by Councillor Padraig Fallon;

"I propose that this Municipal ask the HSE what is the current position regarding X-Ray facilities in Our Lady’s Hospital Manorhamilton and that they provide further assurance that this facility will be retained."

7. To consider the following Notice of Motion submitted by Councillor Padraig Fallon;

"I propose that Leitrim County Council Roads Department examine the possibility of widening of bridge located beside Ballinagar Hall L 4263-0; Ballinagar Bridge."

8. To consider the following Notice of Motion submitted by Councillor Cllr Mary Bohan;

"I propose that Leitrim County Council take immediate steps to compel Coilte and private afforestation owners to cut all hedges where necessary as a matter of urgency."

9. To consider the following Notice of Motion submitted by Councillor Cllr Mary Bohan;

"What is the current situation regarding the zoning of the land immediately adjacent to the estates, Gleann Dara and Skreeny Manor in Manorhamilton."

10. To consider the following Notice of Motion submitted by Councillor Sean McDermott;

"I ask Leitrim County Council what progress has been made to provide a supply of water from the mains to Deerpark, Manorhamilton. This location is only 1.5 Km from the town of Manorhamilton on the old Mullies road."

11. To consider the following Notice of Motion submitted by Councillor Sean McDermott;

"I ask has any progress been made over the Summer regarding the upgrading of the sewerage treatment plant at Gublaun, Rossinver. I am aware that over this Summer terrible odors came from this plant."
12. To consider the following Notice of Motion submitted by Councillor Frank Dolan;

"I ask that repair works be carried out on a section of the Clonlougher road (near the bridge) as it is dangerous for people using this road. The surface of the road is fine but the foundation has given way."

13. To consider the following Notice of Motion submitted by Councillor Frank Dolan;

"I ask who is responsible (ie Council or OPW) for the maintenance of the boundary wall at Creevelea Abbey? Presently a short section of the wall near the entrance gate is basically just hanging there and is a major risk especially to children."

14. To consider the following Notice of Motion submitted by Councillor Justin Warnock;

"I ask the Manorhamilton Municipal District Engineer, to make an application under the Low Cost Safety Scheme, as a matter of urgency, to widen the L2075 between the Four Masters National School and Auriva Co Op which is within the Kinlough 50km zone. This raised section of road is very narrow and extremely dangerous and a number of vehicles including cars, a tractor with a tanker and an articulated lorry have left the road at this location."

15. To consider the following Notice of Motion submitted by Councillor Justin Warnock;

"I ask that Leitrim County Council make it a requisite that when companies tender for infrastructural works including roads, bridges, boundary walls and any other structural works which are undertaken by this local authority, that stone from local quarries would be sourced. It is important that our local economy benefits from all infrastructural projects which are undertaken by Leitrim County Council in these challenging times."
