6. Meeting Correspondence

Part I - Notice of Motions

7. To consider the following Notice of Motion submitted by Councillor Felim Gurn;

"I propose that Leitrim County offer an invitation to Beto O'Rourke, democratic candidate in the US presidential election, to visit his family homestead that can be traced back to Glencar Co. Leitrim. It is significant in Irish history to think that Sean Mc Diarmada from Kiltyclogher, who was signatory on the proclamation and Beto O'Rourke who may become President of the United States in the future, both have roots in North Leitrim."

8. To consider the following Notice of Motion submitted by Councillor Felim Gurn;

"That Manorhamilton becomes a Safe Cycle friendly town, that would form part of the de Cuellar trail from Manorhamilton to Glencar and on to Streedagh in Sligo. There is potential for Tourism spin off from the Spanish Armada."

9. To consider the following Notice of Motion submitted by Councillor Mary Bohan;

"What is the current position regarding the Abbey Manor Hotel in Dromahair and have the owners complied with the conditions of the Notice served on them by Leitrim County Council"

10. To consider the following Notice of Motion submitted by Councillor Mary Bohan;

"What is the current position regarding the taking in charge of the Acres and Forest Grove estates in Dromahair"

11. To consider the following Notice of Motion submitted by Councillor Padraig Fallon;

"I propose to ask Leitrim County Council if it intends to recruit outdoor maintenance staff in housing for the North Leitrim area."

12. To consider the following Notice of Motion submitted by Councillor Padraig Fallon;

"I propose that this Municipal write to the communications regulator and the minister for communications seeking assurances that there will be no introduction of mobile roaming fees arising from Brexit."

13. To consider the following Notice of Motion submitted by Councillor Justin Warnock;

"I will ask Leitrim County Council to write to the Minister for Health Simon Harris TD and the Minister for Agriculture Michael Creed to call for a ban on the use of Glyphosate (Roundup) as a desiccant on our nations crops. Roundup is a weed killer and was never intended to be used as a desiccant on oats, wheat, barley or any other crop prior to harvest, this practice has gone on for over 40 years. Scientific evidence has linked Glyphosate to various types of cancers and traces of Glyphosate are being found in bread and cereals and in drinking water."

14. To consider the following Notice of Motion submitted by Councillor Justin Warnock;

"On attending an oral hearing in Portlaoise, on behalf of Save Leitrim in relation to an afforestation licence at Shass and Tullyclevaun, I was disappointed that Leitrim County Council's Planning Department had no representative there, as they had grave concerns in relation to this licence. The granting of an afforestation license by the Forest Service at this location is in direct conflict with our County Development Plan 2015 - 2021. So therefore I ask this authority to do more to protect the environment of these areas of Low Capacity / High Sensitivity."
15. To consider the following Notice of Motion submitted by Councillor Frank Doian;

"I will ask for the provision of a footpath on Church Lane Manorhamilton, from the junction on the N16 to Mastersons National School in the interest of pedestrian’s safety. This is as a result of two accidents that have taken place there recently."

16. To consider the following Notice of Motion submitted by Councillor Frank Doian;

"I ask to have some repair work carried out on the Conray/Glenague road i.e. past Paddy Mc Ternan's house. This road is in poor condition, but is used on a daily basis by a number of farmers."

17. To consider the following Notice of Motion submitted by Councillor Sean McDermott;

"Can I ask what is the timescale for the upgrading of the sewerage treatment plant at Gublaun, Rossinver."

18. To consider the following Notice of Motion submitted by Councillor Sean McDermott;

"Has the Council any land in Kiltyclogher for house building and if not are there any plans to acquire land."
