8. To consider the following Notice of Motion submitted by Councillor Felim Gurn;

"Knock airport is important to the North West region and has the buy in of the councils from Galway, Mayo, Sligo, Roscommon, Donegal and Leitrim to provide funding to the airport. We need to push the airport authorities to try and get transatlantic flights from America. This would change the landscape of tourism from the east coast to the west coast along the Wild Atlantic Way and Hidden Heartlands and Ancient East. I have been previously told the runway is not long enough but yet Joe Biden VP cane in to Knock airport. There used to be a service from Knock to New York in 2008-09."
