"How many L.I.S.'s are currently on the Council list in the Manorhamilton Municipal District, what is the estimated cost of completing same."

8. **To consider the following Notice of Motion submitted by Councillor Justin Warnock;**

"I ask Leitrim County Council what is their plan/schedule and that of the office of Public Works to have the Heritage Centre and Sean Mac Diarmada's cottage in Kiltyclogher open to the public this year."

9. **To consider the following Notice of Motion submitted by Councillor Justin Warnock;**

"I ask the Senior Engineer in the Roads Department to contact the TII (Transport Infrastructure Ireland) and Donegal County Council’s Roads Department as a matter of urgency and road safety for the motorists of North Leitrim, to have the exits lanes extended on the N15 (Bundoran bypass) at the junction of the R280, Kinlough to Bundoran road."

11. **To consider the following Notice of Motion submitted by Councillor Felim Gurn;**

"The recent refurbishment of the Main Street in Manorhamilton by the Council is very welcome. Unfortunately and despite the best voluntary efforts of the local Tidy Towns Committee chewing gum and dog litter on the pavements is proving difficult to remove and is detracting from the appearance of the street. In addition to appealing to the public to properly dispose of such waste, has the Council any additional resources available to it for the removal of same?"

12. **To consider the following Notice of Motion submitted by Councillor Sean McDermott;**

"Can I ask what progress is been made on the public sewerage system for Glenfarne Village. I am aware there is a state of the art sewerage system in place at Brockage Lower, Glenfarne which is capable of providing a sewerage system to Glenfarne Village."

**Report by Senior Engineer, Water Services**

"The existing Waste Water Treatment Plant at Brockagh Lower was originally designed for the Council Housing Estate there. Irish Water have yet agreed to take-in-charge this Plant as well as eight other former Housing Plants. Discussions are ongoing on this matter. Until this is finalised, we cannot request an extension to the Village itself. In any event such an extension would be a relatively low priority for Irish Water."

13. **To consider the following Notice of Motion submitted by Councillor Sean McDermott;**

"I will ask if Public Toilets could be provided in the town of Manorhamilton."

14. **To consider the following Notice of Motion submitted by Councillor Frank Dolan;**

"I will ask Leitrim County Council to lead the way in engaging with the HSE and the Voluntary Housing Organisations in an effort to provide a suitable house for some of the participants in the National Learning Network (NLNW) in Manorhamilton."
15. To consider the following Notice of Motion submitted by Councillor Frank Dolan:

"I ask for a breakdown of the number of family houses available in Dromahair and how this compares with the waiting list for such houses in Dromahair."
