**AGENDA**

1. Minutes of Manorhamilton Municipal District held in the HSE Offices, Manorhamilton, Co. Leitrim on Monday, 18th November 2019 (copy enclosed).

2. Meeting Correspondence (enclosed).

**Part I - Notice of Motions**

3. **To consider the following Notice of Motion submitted by Councillor Padraig Fallon;**

"I ask Leitrim County Council what is the current level of vacant Local Authority housing stock in North Leitrim."

4. **To consider the following Notice of Motion submitted by Councillor Padraig Fallon;**

"I propose that bridge repairs be undertaken at Meenagraun / Conwal Nth L2108-2 and Derrynamimmirk. Both bridges have weight restrictions and are in need of immediate works."
5. To consider the following Notice of Motion submitted by Councillor Felim Gurn;

"The rollout of drink driving campaign and Garda checkpoints has left people in rural areas feeling isolated due to the lack of transport services. Rural Link services should be providing a service to people in Kiltyclogher so they can avail of bus services a few days a week to Manorhamilton so they can connect on other bus services to Sligc, Enniskillen, Kinlough via Bundoran, and Carrick-on-Shannon."

6. To consider the following Notice of Motion submitted by Councillor Felim Gurn;

"The area at the old post office has become a nightmare for traffic because of parking. As a result heavy duty lorries that are not allowed down the Main Street cannot get passed at certain times, such as when school buses/deliveries to Supervalu meet on that junction up from the old post office and library areas. I suggest parking on one side of the road to leave the other side free."

7. To consider the following Notice of Motion submitted by Councillor Sean McDermott;

"I raise the issue of lack of daily public transport for North Leitrim. This issue has been raised by Councillors on many occasions and also by TD's in Dail Eireann. Kiltyclogher in North Leitrim is a typical example, it has no transport for it's population and for the families who have moved into Kiltyclogher to help keep the local National School open. Many of the above have no transport whatsoever. I am asking that the Manager of Local Link Transport for Donegal, Sligo, Leitrim Fiona O'Shea be invited to our next Municipal District Meeting or her earliest convenient date."

8. To consider the following Notice of Motion submitted by Councillor Sean McDermott;

"I will ask the Council if a safety issue can be addressed on a local road in the townland of East Barrs, Glenfarne, where a bridge has no side-wall. When traffic meets and one pulls in at this spot, the vehicle wheels can go over the edge which has happened again quite recently. This is also extremely dangerous for walkers as the edge is covered by overgrowth."

9. To consider the following Notice of Motion submitted by Councillor Justin Warnock;

"As climate change is the greatest threat facing our planet, we know as a society we have our role to play in the actions which Ireland must undertake to achieve it's greenhouse gas emission targets. With so much focus and attention by Government on climate change in the past year, I am worried that our children could be exploited to this end. So therefore I will ask Leitrim County Council to write to An Taoiseach, Leo Varadkar and his Government and ask that they would be mindful of this when using children in the climate change debate."
10. **To consider the following Notice of Motion submitted by Councillor Justin Warnock;**

"I will ask Leitrim County Council to write to Josepha Madigan TD, Minister for Culture, Heritage and the Gaeltacht to inquire about her Department's position on the continuous afforestation and destruction of the biodiversity of this Municipal Area, as it is well known by many of my colleagues and constituents that this area is home to the endangered iconic Hen Harrier. It has been noted from afforestation licence applications that there is no communication or comment from the NPWS, why is this so?"

11. **To consider the following Notice of Motion submitted by Councillor Frank Dolan;**

"I propose that Leitrim County Council write to TII asking for public lighting on the new footpath on the Sligo road. While the work there is very good it is extremely dark from the filling station out."

12. **To consider the following Notice of Motion submitted by Councillor Frank Dolan;**

"I will ask the Senior Executive Engineer to examine the road markings at the junction of Sox's line and R280. A number of people are finding it difficult to exit from Sox's line for some reason."

13. **To consider the following Notice of Motion submitted by Councillor Cllr Mary Bohan;**

"I propose that Leitrim County Council carry out repairs to the bridge on road no L42212/0 Gortnacatkogue to Lugaskeehan as it is in a dangerous condition. Warnings signs should also be erected in relation to weight restrictions on this road."

14. **To consider the following Notice of Motion submitted by Councillor Cllr Mary Bohan;**

"What is the current position regarding the allocation of the Litter Wardens time in the Manorhamilton Municipal area and has the use of CCTV cameras at bring centres increased in the current year?"
